Newspaper Cutting Format – one Just pastes an image with this or writes like Soviet Union – something like Film and Marx to this classification of all newspapers that concern the Left
By Shomit Sirohi

Newspaper cutting (cut this like editing cinema) is to simply match this dialectical classification to any piece one finds in the newspapers one will find in normal daily life –

Imagine The Hindu Newspaper or any Indian newspaper in this way, imagine Reuters and even BBC newspaper edition or finally NDTV this way – it formats it to simple small takes in its history similar to book publishing – just one show per year in fact.

One can watch this on TVE if needed.
